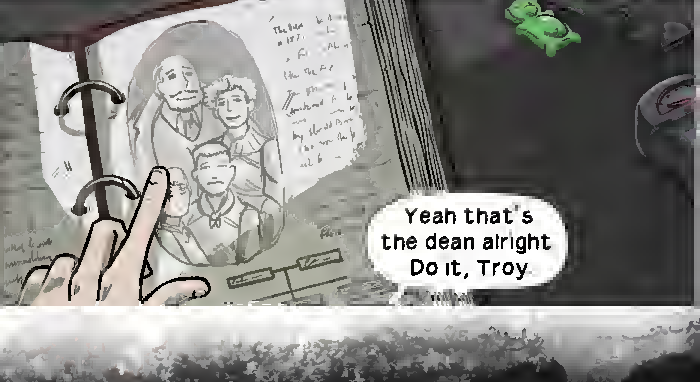
THE SWORD INTERVAL

BY BEN FLEUTER

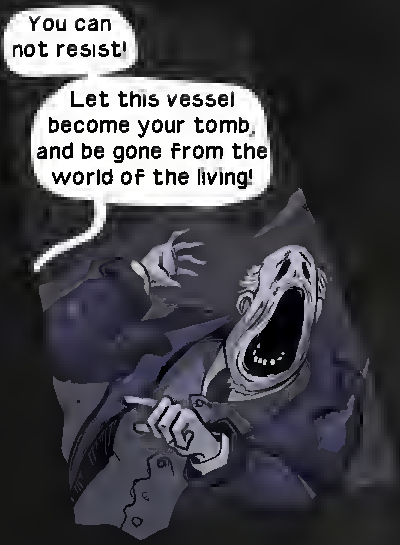
Eugh
I hate their faces when they're like this



Yeah that's the dean alright Do it, Troy

Hector Broughton!
You who remain unburied and unbound!

By the names of your wife, Sage Broughton, and your sons, Arthur and Edmund Broughton...
...and by this, earth taken from their very graves, I compel you!



You can not resist!
Let this vessel become your tomb, and be gone from the world of the living!

BE GONE!

Nice work, guys!
